This companion to the Fountas & Pinnell Phonics, Spelling, and Word Study System series use poetry to its full advantage to expand children's oral language capabilities, develop phonological awareness, and teach about the intricacies of print. The poems in Sing a Song of Poetry immerse students in rich, rhythmical language, providing age appropriate opportunities to enjoy language through shared reading, stimulate oral language development, connect words, and much more. Poetry enhances any early childhood curriculum. 225 poems Increased support around poetry and how it works Language and ideas consistent

with the language and ideas included in the Fountas & Pinnell Literacy Continuum. Specific references to the Sing a Song of Poetry poems in the Phonics, Spelling and Word Study Systems "Young readers are on a journey toward efficient processing of any texts they might like to attempt, and it is important every step of the way that they have successful experiences in reading independently those texts that are available at each point in time. In a literacy-rich classroom with a multitext approach, readers have the opportunity to hear written texts read aloud through interactive read-aloud, and so they build a rich treasure chest of known stories and nonfiction books that they can share as a classroom community" -- Now aligned to the Expanded Edition of The Fountas & Pinnell Literacy Continuum! Play and language are critical learning tools for the prekindergarten child. Through play and language, they learn about their world and about themselves. Play and language are also the most important tools for early literacy learning. Think of the young child who takes a memo pad and marker around to family members, "taking orders" for dinner. Like all emergent readers and writers, this child makes no distinction between play and literacy-both involve curiosity, excitement, learning, and discovery. In Literacy Beginnings, Irene C. Fountas and Gay Su Pinnell bring their characteristically rich, comprehensive, and practical insights to the frontier of early literacy. They show you how to tap into young children's curiosity to introduce them to the world of literacy in joyful, engaging ways. Much has been written on the topic of guided reading over the last twenty years, but no other leaders in literacy education have championed the topic with such depth and breadth as Irene Fountas and Gay Su Pinnell. In the highly anticipated second edition of Guided Reading, Fountas and Pinnell remind you of guided reading's critical value within a comprehensive literacy system, and the reflective, responsive teaching required to realize its full potential. Now with Guided Reading, Second Edition, (re)discover the essential elements of guided reading through: a wider and more comprehensive look at its place within a coherent literacy system a refined and deeper understanding of its complexity an examination of the steps in implementation-from observing and assessing literacy behaviors, to grouping in a thoughtful and dynamic way, to analyzing texts, to teaching the lesson the teaching for systems of strategic actions a rich text base that can support and extend student learning the re-emerging role of shared reading as a way to lead guided and independent reading forward the development of managed independent learning across the grades an in-depth exploration of

responsive teaching the role of facilitative language in supporting change over time in students' processing systems the identification of high-priority shifts in learning to focus on at each text level the creation of a learning environment within which literacy and language can flourish. Through guided reading, students learn how to engage in every facet of the reading process and apply their reading power to all literacy contexts. Also check out our new on-demand mini-course: **Introducing Texts Effectively in Guided Reading Lessons** This Spanish edition has been specially adapted to meet the literacy needs of Spanish-speaking children and their teachers in prekindergarten through grade two as well as teachers of students who are reading at levels A through N. Offers reading teachers effective strategies for helping students in kindergarten through third grade overcome reading and writing difficulties and become proficient readers. Presents a comprehensive curriculum document that provides a vision of language and literacy development for students in kindergarten through grade 8. The book contains the same text characteristics and goals as the K-2 and 3-8 books but instead is organized along the following instructional contexts: interactive read-aloud and literature discussion; shared and performance reading; writing about reading; writing; oral, visual, and technological communication; phonics, spelling, and word study; and guided reading. This information-packed guide provides an important look at reading, writing, talking, and word study, while succinctly describing research-based instructional practices for high-impact literacy teaching. There has never been a more comprehensive resource available to teachers that does what the continuum does - provide specific behaviors and understandings that are required at each level for students to demonstrate thinking within, beyond, and about the text. These behaviors and understandings describe what students will be expected to do in order to effectively read and understand the text. The Fountas & Pinnell Spanish Prompting Guide 2, for Comprehension: Thinking, Talking, and Writing contains precise language to use when teaching, prompting for, and reinforcing effective strategic actions in reading and writing. Classroom teachers, reading specialists, literacy teachers, and literacy coaches can use the flip chart as a ready reference while working with students in several instructional setting and contexts. Fountas and Pinnell provide language for teaching readers how to focus or expand their thinking through talk and writing before, during, and after reading. The goal is to help students think in three broad ways. 1. Thinking Within the Text Noticing and using the information that is directly stated in the text 2. Thinking Beyond the Text Noticing what is implied, not explicitly stated 3. Thinking About the Text Analyzing the writer's craft and thinking critically about the whole text. The prompts in this flip chart tool are designed to help teachers help teachers demonstrate, prompt for, or reinforce effective reading behaviors related to comprehension including Self-monitoring and
