In Edmond, The Moonlit Party, Edmond the squirrel is shy and a bit lonely, but he nevertheless believes that his life is just as it should be. He's happy making his colorful pompoms, stirring his nut jam, and going to sleep early. But one evening, when there's once again a party in his apartment house tree, the fragrance of his jam brings an unexpected visitor to his door. With the entrance of Owl, an aficionado of disguises and fun, into his life, everything begins to change for Edmond. Not only does he agree to attend Owl's party. He goes and has the best evening ever, and the world seems deeper and more wonderful than ever before, and just right, too! Awash with rich color and the funniest, liveliest details ever, Edmond, The Moonlit Party is thoughtful and thought provoking as well as just plain fun! Each page deepens the story while providing a rich serving of visual

pleasure! Astrid Desbordes received her degree in philosophy and has written a number of books on philosophy and religion for adults. Currently, she divides her time between writing and editing. Her first book and her first to be published in the United States was *Daydreams of A Solitary Hamster*. This is her second book to be published by Enchanted Lion Books. Marc Boutavant has created picture books in English, French, and Japanese. He also does editorial illustration and comics. Several of his books, including *Around the World With Mouk*, *Ariol*, and *Ghosts*, have been published in the United States. Marc lives in Paris and is nothing short of a genius. Take a close look at *Edmond*. You'll see! The New York Times bestselling exposé of what passes for business as usual in Washington today *There was a time*, not so very long ago, when perfectly rational people ran the Republican Party. So how did the party of Lincoln become the party of lunatics? That is what this book aims to answer. Fear not, the Dems come in for their share of tough talk— they are zombies, a party of the living dead. Mike Lofgren came to Washington in the early eighties—those halcyon, post-Nixonian glory days—for what he imagined would be a short stint on Capitol Hill. He has witnessed quite a few low points in his twenty-eight years on the Hill—but none quite so pitiful as the antics of the current crop of legislators whom we appear to have elected. Based on the explosive article Lofgren wrote when he resigned in disgust after the debt ceiling crisis, *The Party Is Over* is a funny and impassioned exposé of everything that is wrong with Washington. Obama and his tired cohorts are no angels but they have nothing on the Republicans, whose wily strategists are bankrupting the country one craven vote at a time. Be prepared for some fireworks. It's time for a pizza party with Ryan of Ryan ToysReview! This 8x8 storybook comes with pizza-scented scratch-and-sniff stickers! Ryan is having a pizza party with all his friends! Readers will help Ryan choose toppings and bake a delicious pizza for everyone to enjoy. This is going to be the best pizza party ever! TM & © 2019 RTR Production, LLC, RFR Entertainment, Inc. and Remka, Inc., and PocketWatch, Inc. All Rights Reserved. A collection of thirty new ideas for birthday celebrations offers such birthday themes as Mermaids, the Wizard of Oz, and a Doll Shower, and offers party suggestions for hard-to-please teenagers *New Parties in Old Party Systems* addresses a pertinent yet neglected issue in comparative party research: why are some new parties that enter national parliament able to defend a niche on the national level, while other fail to do so? Unlike most existing studies, which strongly focus on electoral (short-term) success or particular party families, this book examines the conditions for the organizational persistence and electoral sustainability of the 140, organizationally new parties that entered their national parliaments in seventeen democracies from 1968 to 2011. The book presents a new theoretical perspective on party institutionalization, which considers the role of

both structural and agential factors driving party evolution. It thereby fills some important lacunae in current cross-national research. First, it theorizes the interplay between structural (pre)conditions for party building and the choices of party founders and leaders, whose interplay shapes parties' institutionalization patterns crucial for their evolution, before and after entering national parliament. Second, this approach is substantiated empirically by advanced statistical methods assessing the role of party origin for new party persistence and sustainability. These analyses are combined with a wide range of in-depth case studies capturing how intra-organizational dynamics shape party success and failure. By accounting for new parties' longer-term performance, the study sheds light on the conditions under which the spectacular rise of new parties in advanced democracies is likely to substantively change old party systems. Comparative Politics is a series for students, teachers, and researchers of political science that deals with contemporary government and politics. Global in scope, books in the series are characterised by a stress on comparative analysis and strong methodological rigour. The series is published in association with the European Consortium for Political Research. For more information visit: www.ecprnet.eu. In the fifth book, Scaredy Squirrel plans his own birthday and surprise!... things get very crowded. Scaredy Squirrel is planning his own birthday party for one _ but despite his detailed plans, things get out of control when the party animals arrive. He's back! Scaredy Squirrel, the loveable worrywart, returns for another nutty adventure. Scaredy never plans big birthday parties. He'd rather celebrate alone quietly in the safety of his nut tree and avoid those pesky party animals (ants, clownfish, ponies and Bigfoot). When all his excessive plans are thrown up in the air like confetti, will Scaredy play dead and cancel? Or will he face the music? W. D. Wright has identified and provided a provocative discussion of the existence of the Corporate Political Party and a national three-party system, comprised of the CPP and the Republican and Democratic parties. Both the CPP and the three-party system have existed unknown to the American people since the late nineteenth and early twentieth centuries, hidden in plain sight. The Corporate Political Party promotes the politics of deception, secrecy, and corruption in short, anti-democratic politics. The CPP has two major objectives. The first is to establish a national one-party system by gaining control over the Republican and Democratic parties, turning them into shell institutions and functioning through them; this would be done, as it is presently occurring, by helping to get Democrats and Republicans elected to office who would be that in name only, while actually being Corporate Political Party candidates and elected officials wearing two labels. The second major objective is to control the national, state, and local governments and their treasuries

through the two shell parties, in order to be able to shift large amounts of taxpayers money on a continuous basis to its constituencies rich and powerful individuals and financial, industrial, and commercial corporations thereby seeking to create a large discrepancy of wealth on a continuous basis between its constituencies and the American population. There is an urgent need for the American people to learn about the Corporate Political Party and take action against it for the sake of their own future, wealth, prosperity, and freedom in this country. *The Sunday Times Top 5 bestseller*

EVERYONE'S INVITED. EVERYONE'S A SUSPECT. In a remote hunting lodge, deep in the Scottish wilderness, old friends gather. The beautiful one The golden couple The volatile one The new parents The quiet one The city boy The outsider The victim. Not an accident - a murder among friends. From Chris Grabenstein, the bestselling author of *Escape from Mr. Lemoncello's Library* and coauthor with James Patterson of *I Funny*, *House of Robots*, and *Treasure Hunters*, comes the second hilarious, fun-in-the-sun adventure in his new illustrated series about all the wacky things that happen when you live in a motel! There's always something wacky happening when you live in a motel, and P.T. (named after P. T. Barnum, of course) has grown up at the world's wackiest! When word gets out that the hottest teen idols in Hollywood (plus current YouTube sensation Kevin the Monkey!) will be filming their next movie—*Beach Party Surf Monkey*—right in St. Pete's Beach, Florida, P.T. and his friend Gloria know that the Wonderland would be the perfect location. Now they just have to convince the producers! But when things start to go wrong (crazed fans? missing stars?), it will take all of Gloria's business genius and P.T.'s wild stories to save the movie before both it and the Wonderland are all washed up! **BONUS:** Includes fun extras like P.T. and Gloria's Famous Fact-or-Fiction Quiz: Movie Edition "A bit like the great movie *Toy Story* and a bit like the wonderful Kate DiCamillo book *The Miraculous Journey of Edward Tulane*. This is a great family book." —The Washington Post on *Toys Go Out*, the companion to *Toy Dance Party* Here is the second book in the highly acclaimed *Toys* trilogy, which includes the companion books *Toys Go Out* and *Toys Come Home* and chronicles the unforgettable adventures of three brave and loving toys. Lumphy, Stingray, and Plastic are back! And this time the three extraordinary friends find that their little girl has left for winter vacation and taken a box of dominoes, a stegosaurus puzzle, and two Barbie dolls—but not them. Could she have forgotten them? As the girl starts to grow up, the three best friends must join together to brave a blizzard, save the toy mice from the vacuum, and make sure that they'll always have the little girl's love. (And they still have time to throw an all-out dance party with the washing machine!) "Poignant and compelling, this sequel sparkles." —Kirkus Reviews, Starred A funny and honest portrayal of living with social anxiety, this timely novel explores

the universal themes of growing up and finding your voice, set in a fast-paced comedy. Ellie Katz is sabotaging her own party. Sure, it seems extreme, but it's the only option for her bat mitzvah. Crowds and attention always made her nervous, and lately they've been making it harder and harder for Ellie to breathe. The celebration would mean (1) a large crowd, (2) lots of staring, and (3) distant family listening to her sing in another language. No thank you! To avoid certain catastrophe, she hatches a plan with her best friend Zoe to ruin the big day. Cue the email hacking, DJ takedown, and an all-out food fight! Everything is falling apart according to plan, until a fight with Zoe leaves Ellie alone on her path of destruction, facing some unintended consequences and disappointments. Can she find a way to right her wrongs, face her fears, and light her candles? When Stanley the dog's owners go out at night, he likes to see how much mischief he can get away with. This book, based on extensive original research in previously unexplored sources, including the party archives, provides a great deal of new information on the disintegration of the Soviet communist party, in 1991 and the preceding years. It argues that, contrary to prevailing views, the party was reformable in late Soviet times, but that attempts to reform it failed: reforms succeeded in preventing the party interfering in the state body, and thereby abolished the party's traditional administrative functions, but without creating an alternative power centre, and without transforming the party from a vanguard party into a parliamentary party. It demonstrates that the party, having ceased to offer career paths for aspiring party members, thereby lost its reason for existence, that an exodus of party members then followed, which in turn caused a financial crisis; and that this financial crisis, and the resulting engagement in commercial activity, fragmented and dispersed party property. It shows how the failed coup of 1991 was led by the military rather than the party, and how having lost its reason for existence and its property, the party had no choice but to accept the reality that it was de facto dead. In this intellectual history of America's two-party system, Donald V. Weatherman grapples with the central issue confronting political parties: What role should they play within a constitutional government?: By examining three major efforts at party reform—the Progressive movement, efforts to develop a responsible party system in the 1950s and 1960s, and Democratic nominating system reforms between 1968 and 1988—Weatherman shows how we have lost sight of the founders' original intentions to create a party system that would enhance the democratic tendencies of our political system while strengthening our constitutional structure. The late artist and socialite discusses the world he knew best, commenting on the Manhattan social scene and what makes the best party, and offers tips on having a great party In the follow-up to Abbi Glines's #1 New York Times bestseller Until Friday

Night—which bestselling author Kami Garcia called “tender, honest, and achingly real”—three teens from a small southern town are caught in a dramatic love triangle. Willa can’t erase the bad decisions of her past that led her down the path she’s on now. But she can fight for forgiveness from her family. And she can protect herself by refusing to let anyone else get close to her. High school quarterback and town golden boy Brady used to be the best of friends with Willa—she even had a crush on him when they were kids. But that’s all changed now: her life choices have made her a different person from the girl he used to know. Gunner used to be friends with Willa and Brady, too. He too is larger than life and a high school football star—not to mention that his family basically owns the town of Lawton. He loves his life, and doesn’t care about anyone except himself. But Willa is the exception—and he understands the girl she’s become in a way no one else can. As secrets come to light and hearts are broken, these former childhood friends must face the truth about growing up and falling in love...even if it means losing each other forever. *A July 2019 Indie Next List Great Read* *One of Parade's Most Anticipated Books of Summer 2019* *An O Magazine Best Beach Read of 2019* *A New York Post Best Beach Read of 2019* “The Last Book Party is a delight. Reading this story of a young woman trying to find herself while surrounded by the bohemian literary scene during a summer on the Cape in the late '80s, I found myself nodding along in so many moments and dreading the last page. Karen Dukess has rendered a wonderful world to spend time in.” —Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six A propulsive tale of ambition and romance, set in the publishing world of 1980’s New York and the timeless beaches of Cape Cod. In the summer of 1987, 25-year-old Eve Rosen is an aspiring writer languishing in a low-level assistant job, unable to shake the shadow of growing up with her brilliant brother. With her professional ambitions floundering, Eve jumps at the chance to attend an early summer gathering at the Cape Cod home of famed New Yorker writer Henry Grey and his poet wife, Tillie. Dazzled by the guests and her burgeoning crush on the hosts’ artistic son, Eve lands a new job as Henry Grey’s research assistant and an invitation to Henry and Tillie’s exclusive and famed “Book Party”— where attendees dress as literary characters. But by the night of the party, Eve discovers uncomfortable truths about her summer entanglements and understands that the literary world she so desperately wanted to be a part of is not at all what it seems. A page-turning, coming-of-age story, written with a lyrical sense of place and a profound appreciation for the sustaining power of books, Karen Dukess’s *The Last Book Party* shows what happens when youth and experience collide and what it takes to find your own voice. Includes easy recipes, instructions for making decorations and favors, and simple activities for all kinds of tea parties. Presents instructions on how to plan parties to celebrate

Christmas, Hanukkah, and the New Year. Confronted with two historically unpopular presidential candidates, the American electorate in 2016 delivered a shock to the political system. Less noted, amid the drama of Donald Trump's victory, was the substantial share of the vote won by minor parties and independent candidates—one of whom, Libertarian Gary Johnson, put in the best third-party performance since Ross Perot's 1996 Reform Party bid. Even more surprising, at the state-level minor-party candidates made greater inroads, in some states combining to win over 10 percent of the vote. At a time of increasing dissatisfaction with a two-party system, this book provides a much-needed look at the current political party alternatives in the United States. In *Beyond Donkeys and Elephants*, the chapter authors survey the present political landscape but also delve into the history of third parties and consider their likely directions and prospects looking forward. The most comprehensive account ever written of contemporary minor political parties in the United States, *Beyond Donkeys and Elephants* covers parties at the national, regional, and state levels. It discusses the well-known alternatives—including the Green, Constitution, and Libertarian Parties—as well as niche state-level parties such as the Mountain Party in West Virginia, the Vermont Progressive Party, the Moderate Party of Rhode Island, and the United Utah Party. This book also places the current resurgence of minor parties in historical context, examining the larger political forces at play. With its case studies past and present, its insights into the formation and nature of minor parties, and its in-depth analysis of why and when such parties emerge, this book affords readers across the political spectrum a unique opportunity to understand and evaluate alternatives as the two-party system undergoes ever greater strains in the coming years.

You're invited to a tea party! Join in the fun with hostess extraordinaire Fancy Nancy. Fancy Nancy shares her favorite tea-party tips: from what to wear, which refreshments to serve, and how to make absolutely everything—even paper plates and plastic spoons—trés elegant! A perfect gentle and friendly etiquette teaching tool, *Tea Parties* is a great gift for your little hostess! With a little imagination, they too can create an exquisite tea party that is perfect for friends and family. R.S.V.P. oui, oui, oui! From the dazzling New York Times bestselling duo Jane O'Connor and Robin Preiss Glasser. Elmer Kay, the Peanut Butter Kid, plans his Birthday Party with his parents, close friends and the family dog, Pappy. They all decide on what peanut butter refreshments should be served. Elmer surprises everyone when he tells them what he would like to do instead of having people give him presents. His mother, Mrs. Kay comes up with an idea. All of them find a way to make her plan work. Everybody feels very good about the party and all want to do the same thing for their celebrations. The author envisions this book not only as an enjoyable

read but as a tool for discussions by teachers, parents, kids, adults and an instrument to raise moneys for all charitable and non-profit organizations. She wishes every party will become a "White Envelope Party" and that the joy of giving enhances everyone's special occasions. Suggested for ages 4 and up. Caldecott Honor artist Mo Willems continues his charming Elephant & Piggie series of first readers with these two titles, in which Piggie is invited to her very first party, while Gerald discovers that there is something worse than a bird on his head. Full color. In Mexico (1921) and Bolivia (1952), nationalist insurrections with armies largely composed of peasants triumphed over oligarchical regimes. In the aftermath of these uprisings, parties led by members of an urban middle-class intelligentsia adopting a populist agrarian discourse attempted to incorporate this predominantly peasant base. The outcomes of these efforts were, however, radically different. In *Origins of the Mass Party*, Edwin F. Ackerman tells the stories of the Partido Revolucionario Institucional (PRI) as a mass party in post-revolutionary Mexico (1929-1946), and the attempt but ultimate failure of Bolivia's Movimiento Nacionalista Revolucionario (MNR) (1953-1964) to do the same. As he shows, Mexico's PRI successfully mobilized peasants into party politics, translating the insurrectionary effervescence of the peasantry into organizational incorporation. Bolivia's MNR, in contrast, attempted but failed to undertake a homologous process. To shed light on why this happened, Ackerman examines the historical conditions necessary for the emergence of the mass political parties, offering insights into the persistence of parties over time by linking the economic dispossession that makes it possible to articulate individuals into a political bloc, and the political dispossession that produces professional politicians to undertake articulation and create constituencies. He argues that parties are the predominant form of political mobilization at a global scale, even in an age of dissatisfaction with conventional organization and persistent experimentation with new forms of association. Both comparative and historical in scope, *Origins of the Mass Party* seeks to show why there is such a strong bond between the party-form and the contemporary world by highlighting the connection between capitalism, modern-state formation, and the party-form.

Georgie the cat loves throwing parties for his friends. All his parties have balloons, lights, delicious cake, and most importantly, everyone has an unforgettable time. One day, Georgie decides to throw the ultimate bash, so he puts on his party hat and races through the city to invite his best buds... who are all too busy to come. But Georgie soon learns that you can always count on your friends to be there for you... and sometimes they might even bring cake! With a heartwarming story and adorable art, this charming, funny, super cute picture book debut invites readers to meet Georgie and Friends—and

find the answer to the most important question of the day: Where's the Party? As seen on Disney XD, a hilarious graphic novel perfect for fans of Captain Underpants! Fangbone and his friends are full of ideas for Eastwood Elementary's "Invention Convention." Unfortunately, Venomous Drool has ideas of his own--like sending a curse to crush Fangbone! But when the misdirected spell sends a terrifying monster to attack Bill at his birthday party instead, Fangbone must invent a way to save his best friend--and fast! The graphic novel series that boys go wild for! Abby Cadabby is feeling blue because it's her birthday—and no one remembered! Even a walk around Sesame Street with Elmo doesn't cheer Abby up. But there's something going on behind the scenes, and toddlers will figure out just before Abby does that there's a happy—and pink—surprise waiting for her right inside her own front door: Grover, Murray, Zoe, Big Bird, and Cookie Monster are giving Abby a birthday party after all! A die-cut flap at the end reveals a BIG homemade birthday card! This text offers a broad overview of an important and ongoing transformation in relations between political parties and their closest supporters. It focuses on established parliamentary democracies, showing how the changing nature of party membership is affecting how political parties define themselves and the choices presented to voters. Robyn Harding's domestic drama, hailed as "tense and riveting" by Megan Miranda, New York Times bestselling author of *All the Missing Girls*, explores the aftermath of a sweet sixteen birthday party that goes horribly awry, as the members of a wealthy family in San Francisco find their picture-perfect life unraveling, their darkest secrets revealed, and their friends turned to enemies. One invitation. A lifetime of regrets. Sweet sixteen. It's an exciting coming-of-age, a milestone, and a rite of passage. Jeff and Kim Sanders plan on throwing a party for their daughter, Hannah—a sweet girl with good grades and nice friends. Rather than an extravagant, indulgent affair, they invite four girls over for pizza, cake, movies, and a sleepover. What could possibly go wrong? But things do go wrong, horrifically so, and Jeff and Kim's flawless life in a wealthy San Francisco suburb suddenly begins to come apart. In the ugly aftermath, friends become enemies, dark secrets are revealed in the Sanders' marriage, and the truth about their perfect daughter is exposed. Perfect for fans of *Big Little Lies*, this is a white-knuckled and "riveting tale that is impossible to put down" (Bill Clegg, New York Times bestselling author of *Did You Ever Have a Family*). Get ready for endless fun with cute little kitties that never tire of dressing up. Dazzling, press-out outfits include ballerina and princess regalia plus other colorful accessories. Ages 4 and up. WINNER OF THE EISNER AWARD • A bold and fascinating graphic novel history of the revolutionary Black Panther Party. Founded in Oakland, California, in 1966, the Black Panther Party for Self-Defense was a radical political organization that stood

in defiant contrast to the mainstream civil rights movement. This gripping illustrated history explores the impact and significance of the Panthers, from their social, educational, and healthcare programs that were designed to uplift the Black community to their battle against police brutality through citizen patrols and frequent clashes with the FBI, which targeted the Party from its outset. Using dramatic comic book-style retellings and illustrated profiles of key figures, The Black Panther Party captures the major events, people, and actions of the party, as well as their cultural and political influence and enduring legacy. It's time for a pinkerrific slumber party at Pinkalicious's house! Pinkalicious has invited all her friends, including a dragon to protect the Princesses of Pink. The new political machines fuel partisanship by supporting only candidates who follow the party's agenda George Robert Twelves Hewes, a Boston shoemaker who participated in such key events of the American Revolution as the Boston Massacre and the Tea Party, might have been lost to history if not for his longevity and the historical mood of the 1830's. When the Tea Party became a leading symbol of the Revolutionary war fifty years after the actual event, this 'common man' in his nineties was 'discovered' and celebrated in Boston as a national hero. Young pieces together this extraordinary tale, adding new insights about the role that individual and collective memory play in shaping our understanding of history. THE NEW YORK TIMES BESTSELLER "My favorite kind of whodunit, kept me guessing all the way through, and reminiscent of Agatha Christie at her best -- with an extra dose of acid." -- Alex Michaelides, author of the #1 New York Times bestseller The Silent Patient Everyone's invited...everyone's a suspect... During the languid days of the Christmas break, a group of thirtysomething friends from Oxford meet to welcome in the New Year together, a tradition they began as students ten years ago. For this vacation, they've chosen an idyllic and isolated estate in the Scottish Highlands—the perfect place to get away and unwind by themselves. The trip begins innocently enough: admiring the stunning if foreboding scenery, champagne in front of a crackling fire, and reminiscences about the past. But after a decade, the weight of secret resentments has grown too heavy for the group's tenuous nostalgia to bear. Amid the boisterous revelry of New Year's Eve, the cord holding them together snaps, just as a historic blizzard seals the lodge off from the outside world. Two days later, on New Year's Day, one of them is dead. . . and another of them did it. Keep your friends close, the old adage says. But how close is too close? DON'T BE LEFT OUT. JOIN THE PARTY NOW. Latino's increasing numbers and their uncertain voting behaviors have enticed Democrats and Republicans to actively court this demographic group, seeking their partisan identification. Through in-depth interviews with campaign strategists, a quantitative analysis of Latino-oriented television advertisements and a survey of Latino

citizens, this project examines these efforts.
