**Mastering Your Hidden Self** Dec 26 2019 Huna philosophy is about learning to become a conscious cocreator with the Universe. Hawaiian shaman King uses Kahuna healing methods to help us access the hidden energy of life, develop powers of concentration, and make friends with the deepest aspect of our being. Learn how your Higher Self, or aumakua, is contacted in the dream dimension. Get in touch with the Mana, the hidden energy of life. Develop higher powers of concentration by utilizing the tikis, created images of sight, sound, and feeling in meditation. Become aware of your subconscious, an integral part of your being, which impatiently awaits communion with the ego.

**The Hitchhiker's Guide to Python** Dec 18 2021 The Hitchhiker's Guide to Python takes the journeyman Pythonista to true expertise. More than any other language, Python was created with the philosophy of simplicity and parsimony. Now 25 years old, Python has become the primary or secondary language (after SQL) for many business users. With popularity comes diversity—and possibly dilution. This guide, collaboratively written by over a hundred members of the Python community, describes best practices currently used by package and application developers. Unlike other books for this audience, The Hitchhiker's Guide is light on reusable code and heavier on design philosophy, directing the reader to excellent sources that already exist.

**Vacation Guide to the Solar System** Jan 19 2022 Packed with real science and fueled by imagination, a beautifully illustrated guide to traveling in our solar system Imagine taking a hike along the windswept red plains of Mars to dig for signs of life, or touring one of Jupiter's sixty-four moons where you can photograph its swirling storms. Packed with full color illustrations and real-world science, Vacation Guide to the Solar System is the must-have planning guide for the curious space adventurer, covering all of the essentials for your next voyage, how to get there, and what to do when you arrive. Perfect for fans of Neil deGrasse Tyson's Astrophysics for People in a Hurry, this tongue-in-cheek reference guide is an imaginative exploration into the “What if” of space travel, sharing fascinating facts about space, the planets in our solar system, and even some moons!

**The Ultimate Hitchhiker's Guide to the Galaxy** Sep 27 2022 In one complete volume, here are the five classic novels from Douglas Adams's beloved Hitchhiker series. Now celebrating the pivotal 42nd anniversary of The Hitchhiker's Guide to the Galaxy, soon to be a Hulu original series! The Hitchhiker's Guide to the Galaxy (Nominated as one of America's best-loved novels by PBS's The Great American Read) Seconds before the Earth is demolished for a galactic freeway, Arthur Dent is saved by Ford Prefect, a researcher for the revised Guide. Together they stick out their thumbs to the stars and begin a wild journey through time and space. The Restaurant at the End of the Universe The moment before annihilation at the hands of warmongers is a curious time to crave tea. It could only happen to the cosmically displaced Arthur Dent and his comrades as they hurtle across the galaxy in a desperate search for a place to eat. Life, the Universe and Everything The unhappy inhabitants of planet Krikkit are sick of looking at the night sky— so they plan to destroy it. The universe, that is. Now only five individuals can avert Armageddon: mild-mannered Arthur Dent and his stalwart crew. So Long, and Thanks for All the Fish Back on Earth, Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination. But a gift-wrapped fishbowl with a cryptic inscription thrusts him back to reality. So to speak. Mostly Harmless Just when Arthur Dent makes the terrible mistake of starting to enjoy life, all hell breaks loose. Can he save the Earth from total obliteration? Can he save the Guide from a hostile alien takeover? Can he save his daughter from herself? Includes the bonus story “Young Zaphod Plays It Safe” “With droll wit, a keen eye for detail and heavy doses of insight . . . Adams makes us laugh until we cry.”—San Diego Union-Tribune “Lively, sharply satirical, brilliantly written . . . ranks with the best set pieces in Mark Twain.”—The Atlantic

**The Skeptics' Guide to the Universe** Feb 20 2022 An all-encompassing guide to skeptical thinking from podcast host and academic neurologist at Yale University School of Medicine Steven Novella and his SGU co-hosts, which Richard Wiseman calls “the perfect primer for anyone who wants to separate fact from fiction.” It is intimidating to realize that we live in a world overflowing with misinformation, bias, myths, deception, and flawed knowledge. There really are no ultimate authority figures—no one has the secret, and there is no place to look up the definitive answers to our questions (not even Google). Luckily, The Skeptic's Guide to the Universe is your map through this maze of modern life. Here Dr. Steven Novella—along with Bob Novella, Cara Santa Maria, Jay Novella, and Evan Bernstein—will explain the tenets of skeptical thinking and debunk some of the biggest scientific myths, fallacies, and conspiracy theories—from anti-vaccines to homeopathy, UFO sightings to N-rays. You'll learn the difference between science and pseudoscience, essential critical thinking skills, ways to discuss conspiracy theories with that crazy co-worker of yours, and how to combat sloppy reasoning, bad arguments, and superstitious thinking. So are you ready to join them on an epic scientific quest, one that has taken us from huddling in dark caves to setting foot on the moon? (Yes, we really did that.) DON'T PANIC! With The Skeptic's Guide to the Universe, we can do this together. “Thorough, informative, and enlightening, The Skeptic's Guide to the Universe inoculates you against the frailties and shortcomings of human cognition. If this book does not become required reading for us all, we may well see modern civilization unravel before our eyes.” -- Neil deGrasse Tyson “In this age of real and fake information, your ability to reason, to think in scientifically skeptical fashion, is the most important skill you can have. Read The Skeptics' Guide Universe; get better at reasoning. And if this claim about the importance of reason is wrong, The Skeptics' Guide will help you figure that out, too.” -- Bill Nye

**Presbyterian Creeds** Mar 21 2022 This book provides clergy, laity, and students with a thorough introduction to their faith as set forth in the Book of Confessions. Jack Rogers explains technical terms and places current issues in perspective by examining the meaning of the creeds, confessions, and declarations found in the Book of Confessions. He examines their role in history, their full meaning, and their continued relevance to the Christian community.

**A Guide to the Good Life** Apr 29 2020 One of the great fears many of us face is that despite all our effort and striving, we will discover at the end that we have wasted our life. In *A Guide to the Good Life*, William B. Irvine plumbs the wisdom of Stoic philosophy, one of the most popular and successful schools of thought in ancient Rome, and shows how its insight and advice are still remarkably applicable to modern lives. In *A Guide to the Good Life*, Irvine offers a refreshing presentation of Stoicism, showing how this ancient philosophy can still direct us toward a better life. Using the psychological insights and the practical techniques of the Stoics, Irvine offers a roadmap for anyone seeking to avoid the feelings of chronic dissatisfaction that plague so many of us. Irvine looks at various Stoic techniques for attaining tranquility and shows how to put these techniques to work in our own life. As he does so, he describes his own experiences practicing Stoicism and offers valuable first-hand advice for anyone wishing to live better by following in the footsteps of these ancient philosophers. Readers learn how to minimize worry, how to let go of the past and focus our efforts on the things we can control, and how to deal with insults, grief, old age, and the distracting temptations of fame and fortune. We learn from Marcus Aurelius the importance of prizing only things of true value, and from Epictetus we learn how to be more content with what we have. Finally, *A Guide to the Good Life* shows readers how to become thoughtful observers of their own lives. If we watch ourselves as we go about our daily business and later reflect on what we saw, we can better identify the sources of distress and eventually avoid that pain in our life. By doing this, the Stoics

thought, we can hope to attain a truly joyful life.

**The Age of Earthquakes** Oct 24 2019 A highly provocative, mindbending, beautifully designed, and visionary look at the landscape of our rapidly evolving digital era. 50 years after Marshall McLuhan's ground breaking book on the influence of technology on culture in *The Medium is the Massage*, Basar, Coupland and Obrist extend the analysis to today, touring the world that's redefined by the Internet, decoding and explaining what they call the 'extreme present'. **THE AGE OF EARTHQUAKES** is a quick-fire paperback, harnessing the images, language and perceptions of our unfurling digital lives. The authors offer five characteristics of the Extreme Present (see below); invent a glossary of new words to describe how we are truly feeling today; and 'mindsource' images and illustrations from over 30 contemporary artists. Wayne Daly's striking graphic design imports the surreal, juxtaposed, mashed mannerisms of screen to page. It's like a culturally prescient, all-knowing email to the reader: possibly the best email they will ever read. Welcome to **THE AGE OF EARTHQUAKES**, a paper portrait of Now, where the Internet hasn't just changed the structure of our brains these past few years, it's also changing the structure of the planet. This is a new history of the world that fits perfectly in your back pocket. 30+ artists contributions: With contributions from Farah Al Qasimi, Ed Atkins, Alessandro Bavo, Gabriele Basilico, Josh Bitelli, James Bridle, Cao Fei, Alex Mackin Dolan, Thomas Dozol, Constant Dullaart, Cecile B Evans, Rami Farook, Hans-Peter Feldmann, GCC, K-Hole, Liam Gillick, Dominique Gonzalez-Foerster, Eloise Hawser, Camille Henrot, Hu Fang, K-Hole, Koo Jeong-A, Katja Novitskova, Lara Ogel, Trevor Paglen, Yuri Patterson, Jon Rafman, Bunny Rogers, Bogosi Sekhukhuni, Taryn Simon, Hito Steyerl, Michael Stipe, Rosemarie Trockel, Amalia Ulman, David Weir, Trevor Yeung.

**Mostly Harmless** Jun 12 2021 Now celebrating the 42nd anniversary of *The Hitchhiker's Guide to the Galaxy*, soon to be a Hulu original series! "Hitchhiker fans rejoice! . . . [Here's] more of the same zany nonsensical mayhem."—*The New York Times* Book Review It's easy to get disheartened when your planet has been blown up and the woman you love has vanished due to a misunderstanding about space/time. However, instead of being disheartened, Arthur Dent makes the terrible mistake of starting to enjoy life a bit—and immediately all hell breaks loose. Hell takes a number of forms: there's the standard Ford Prefect version, in the shape of an all-new edition of *The Hitchhiker's Guide to the Galaxy*, and a totally unexpected manifestation in the form of a teenage girl who startles Arthur Dent by being his daughter when he didn't even know he had one. Can Arthur save the Earth from total multidimensional obliteration? Can he save the Guide from a hostile alien takeover? Can he save his daughter, Random, from herself? Of course not. He never works out exactly what is going on. Will you? "Douglas Adams is a terrific satirist. . . . He is anything but harmless."—*The Washington Post* Book World

**The Words in My Hands** Sep 22 2019 Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be "normal," to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a community, and believing in something better. Published to rave reviews as *Future Girl* in Australia (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, *The Words in My Hands* is very much a novel for our turbulent times.

**The Non-Prophet's Guide to the End Times** Nov 05 2020 I Believe Jesus Will Return... What More Do I Need to Know? Do you tend to avoid studying books of the Bible like Revelation and Ezekiel? Does it feel like words such as rapture and apocalypse fly right over your head? It's common to dismiss these and other topics related to Bible prophecy as irrelevant and...well...too complicated. But God's Word says, "Blessed is the one who reads aloud the words of this prophecy, and blessed are those who hear it and take to heart what is written in it, because the time is near" (Revelation 1:3). Prepare to be blessed in an entertaining and meaningful way! The Non-Prophet's Guide to the End Times combines engaging illustrations with down-to-earth explanations to help you navigate the ins and outs of Bible prophecy. There's no better time to grasp God's plans for the future—and for you—than this very moment.

*The Hitchhiker's Guide to the Galaxy: The Illustrated Edition* Nov 29 2022 This beautifully illustrated edition of the New York Times bestselling classic celebrates the 42nd anniversary of the original publication—with all-new art by award-winning illustrator Chris Riddell. **SOON TO BE A HULU SERIES** • "An astonishing comic writer."—Neil Gaiman Nominated as one of America's best-loved novels by PBS's *The Great American Read* It's an ordinary Thursday morning for Arthur Dent . . . until his house gets demolished. The Earth follows shortly after to make way for a new hyperspace express route, and Arthur's best friend has just announced that he's an alien. After that, things get much, much worse. With just a towel, a small yellow fish, and a book, Arthur has to navigate through a very hostile universe in the company of a gang of unreliable aliens. Luckily the fish is quite good at languages. And the book is *The Hitchhiker's Guide to the Galaxy* . . . which helpfully has the words **DON'T PANIC** inscribed in large, friendly letters on its cover. Douglas Adams's mega-selling pop-culture classic sends logic into orbit, plays havoc with both time and physics, offers up pithy commentary on such things as ballpoint pens, potted plants, and digital watches . . . and, most important, reveals the ultimate answer to life, the universe, and everything. Now, if you could only figure out the question. . . .

**A User's Guide to the Brain** Oct 16 2021 Dr John Ratey explores the brain's most important systems, the role they play in determining how we interact with the world and ways in which we can influence their operations for the better. Amazing examples of how the brain works are used throughout.

**A Hunter-Gatherer's Guide to the 21st Century** Sep 15 2021 A provocative exploration of the tension between our evolutionary history and our modern woes—and what we can do about it. We are living through the most prosperous age in all of human history, yet we are restless, divided, and miserable. Wealth and comfort are unparalleled, but our political landscape is unmoored, and rates of suicide, loneliness, and chronic illness continue to skyrocket. How do we explain the gap between these truths? And how should we respond? For evolutionary biologists Heather Heying and Bret Weinstein, the cause of our troubles is clear: the accelerating rate of change in the modern world has outstripped the capacity of our brains and bodies to adapt. We evolved to live in clans, but today many people don't even know their neighbors' names. In our haste to discard outdated gender roles, we increasingly deny the flesh-and-blood realities of sex—and its ancient roots. The cognitive dissonance spawned by trying to live in a society we are not built for is killing us. In this book, Heying and Weinstein draw on decades of their work teaching in college classrooms and exploring Earth's most biodiverse ecosystems to confront today's pressing social ills—from widespread sleep deprivation and dangerous diets to damaging parenting styles and backward education practices. Asking the questions many modern people are afraid to ask, A Hunter-Gatherer's Guide to the 21st Century outlines a science-based worldview that will empower you to live a better, wiser life.

**A Woman's Guide to the Laws of Niddah** Feb 08 2021 Knowledge of the laws of niddah is absolutely essential for every married woman, and in this new book, Rabbi Forst performs an invaluable service. Unlike his previous works, this book is not geared for someone studying the subject in depth. Instead, it is tailored to the specific needs of women and contains several chapters that are particularly important for kallos. It is complete, yet not too technical, so that one will not be overwhelmed by the material. It is authoritative, but does not claim to replace the competent Rav. It will remove unnecessary doubt and insecurity from countless delicate family situations, and let conscientious people know what to do and when and how to ask.

**Field Guide to the Natural World of Washington, D.C.** Oct 04 2020 Whether seeking a secluded jog or an adventurous outing, residents and tourists alike will find this handsome guide indispensable for finding oases away from the noise of the city.

**And Another Thing...** Oct 28 2022 And Another Thing ... will be the sixth novel in the now improbably named Hitchhiker's Guide to the Galaxy trilogy. Eight years after the death of its creator, Douglas Adams, the author's widow, Jane Belson, has given her approval for the project to be continued by the international number one bestselling children's writer, Eoin Colfer, author of the Artemis Fowl novels. Douglas Adams himself once said, 'I suspect at some point in the future I will write a sixth Hitchhiker book. Five seems to be a wrong kind of number, six is a better kind of number.' Belson said of Eoin Colfer, 'I love his books and could not think of a better person to transport Arthur, Zaphod and Marvin to pastures new.' Colfer, a fan of Hitchhiker since his schooldays, said, 'Being given the chance to write this book is like suddenly being offered the superpower of your choice. For years I have been finishing this incredible story in my head and now I have the opportunity to do it in the real world.' Prepare to be amazed...

*The Illustrated Hitchhiker's Guide to the Galaxy* Dec 30 2022

**So Long, and Thanks for All the Fish** Aug 14 2021 Now celebrating the 42nd anniversary of The Hitchhiker's Guide to the Galaxy, soon to be a Hulu original series! "A madcap adventure . . . Adams's writing teeters on the fringe of inspired lunacy."—United Press International Back on Earth with nothing more to show for his long, strange trip through time and space than a ratty towel and a plastic shopping bag, Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination. But a gift-wrapped fishbowl with a cryptic inscription, the mysterious disappearance of Earth's dolphins, and the discovery of his battered copy of The Hitchhiker's Guide to the Galaxy all conspire to give Arthur the sneaking suspicion that something otherworldly is indeed going on. God only knows what it all means. Fortunately, He left behind a Final Message of explanation. But since it's light-years away from Earth, on a star surrounded by souvenir booths, finding out what it is will mean hitching a ride to the far reaches of space aboard a UFO with a giant robot. What else is new? "The most ridiculously exaggerated situation comedy known to created beings . . . Adams is irresistible."—The Boston Globe

**Life, the Universe and Everything: Hitchhiker's Guide to the Galaxy Book 3** Aug 02 2020 Part three of the Hitchhiker's Guide to the Galaxy trilogy of five books. Featuring exclusive bonus material from the Douglas Adams archives, and an introduction from Simon Brett, producer of the original radio broadcast. In Life, the Universe and Everything, the third book in Douglas Adams' blockbuster sci-fi comedy series, Arthur Dent finds himself enlisted to prevent a galactic war. Following a number of stunning catastrophes, which have involved him being alternately blown up and insulted in ever stranger regions of the Galaxy, Arthur Dent is surprised to find himself living in a cave on prehistoric Earth. However, just as he thinks that things cannot get possibly worse, they suddenly do. An eddy in the space-time continuum lands him, Ford Prefect, and their flying sofa in the middle of the cricket ground at Lord's, just two days before the world is due to be destroyed by the Vogons. Escaping the end of the world for a second time, Arthur, Ford, and their old friend Slartibartfast embark (reluctantly) on a mission to save the whole galaxy from fanatical robots. Not bad for a man in his dressing gown. Follow Arthur Dent's galactic (mis)adventures in the rest of the trilogy with five parts: So Long, and Thanks for All the Fish, and Mostly Harmless.

**My Ideal Bookshelf** Jun 24 2022 The books that we choose to keep -- let alone read -- can say a lot about who we are and how we see ourselves. In My Ideal Bookshelf, dozens of leading cultural figures share the books that matter to them most; books that define their dreams and ambitions and in many cases helped them find their way in the world. Contributors include Malcolm Gladwell, Thomas Keller, Michael Chabon, Alice Waters, James Patterson, Maira Kalman, Judd Apatow, Chuck Klosterman, Miranda July, Alex Ross, Nancy Pearl, David Chang, Patti Smith, Jennifer Egan, and Dave Eggers, among many others. With colorful and endearingly hand-rendered images of book spines by Jane Mount, and first-person commentary from all the contributors, this is a perfect gift for avid readers, writers, and all who have known the influence of a great book.
