The Unsaved Christian Good Faith Re-Imagining Nature The Duty of a Christian People Under Divine Visitations A Believer's Manual; containing the points of a Christian's experience, from the period of his conversion to his arrival in glory On Being a Christian The Case for Christianity

Answer Book Desiring God Sermons on some of the social and political Duties of a Christian, etc How Can I Be Sure I'm a Christian? The Idea of a Christian College Life As a Christian 1st John Bible Study The Seven Basics for An Amazing Christian Life Cold-Case Christianity Leadership Coaching Christians at the Border Mere Christianity In the World

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims

of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity. Many Christians today feel overwhelmed as they try to live faithfully in a culture that seems increasingly hostile to their beliefs. Politics, marriage, sexuality, religious freedom--with an ever-growing list of contentious issues, believers find it harder than ever to hold on to their convictions while treating their friends, neighbors, coworkers, and even family members who disagree with respect and compassion. This isn't just a problem that affects individual Christians; if left unaddressed, the growing gap between the faithful and society's tolerance for public faith will have lasting consequences for the church in America. Now the bestselling authors of unChristian turn their data-driven insights toward the thorny question of how Christians talk with people they know and love about the most toxic issues of our day. They help today's disciples understand what they believe and why, and

how to keep believing it without being judgmental and defensive. Readers will discover the most significant trends that offer both obstacles and opportunities to God's people, and how not only to challenge culture but to create and renew it for the common good. Perhaps most importantly, David Kinnaman and Gabe Lyons invite fellow Christians to understand the heart behind opposing views and show them how to be loving, life-giving friends despite profound differences. This will be the go-to book for young adult and older believers who don't want to hide from culture but to engage and restore it. An internationally renowned expert in canonical interpretation illuminates the two-testament character of Scripture and its significance for the contemporary church. With clear explanations about spiritual disciplines and God's plan for His creation, this booklet helps new believers better know God and how to lay a strong foundation for their Christian lives. John Stott tells his spiritual story and gives the reasons for his life-changing faith. Jesus divided the world into two groups—those who follow him and

those who don't. But what happens when someone thinks he or she is a Christian, but isn't? With his witty, engaging style, Mike McKinley takes readers on a journey of what it means to be a Christian. He asserts that "manipulative evangelism techniques and a poor understanding of the gospel have resulted in an abundance of professing Christians who have no idea what it means to follow Christ." Each chapter title begins with "You're not a Christian [if/when/just because you]..." As he surveys what it means to be Christian, McKinley offers criteria for evaluating one's standing before God. Readers are guided through a series of challenges to reflect, repent, remember, and report to another person. Am I Really a Christian? ends with chapters on salvation and the local church. This unique book is written for nominal or new Christians and can be used in personal or small-group study. Reimagining Nature is a new introduction to the fast developing area of natural theology, written by one of the world's leading theologians. The text engages in serious theological dialogue whilst looking at how past developments

might illuminate and inform theory and practice in the present. This text sets out to explore what a properly Christian approach to natural theology might look like and how this relates to alternative interpretations of our experience of the natural world Alister McGrath is ideally placed to write the book as one of the world's best known theologians and a chief proponent of natural theology This new work offers an account of the development of natural theology throughout history and informs of its likely contribution in the present This feeds in current debates about the relationship between science and religion, and religion and the humanities Engages in serious theological dialogue, primarily with Augustine, Aquinas, Barth and Brunner, and includes the work of natural scientists, philosophers of science, and poets In the classic Mere Christianity, C.S. Lewis, the most important writer of the 20th century, explores the common ground upon which all of those of Christian faith stand together. Bringing together Lewis' legendary broadcast talks during World War Two from his three previous books The Case for

Christianity, Christian Behavior, and Beyond Personality, Mere Christianity provides an unequaled opportunity for believers and nonbelievers alike to hear this powerful apologetic for the Christian faith. I love to read. I hate to read. I don't have time to read. I only read Christian books. I'm not good at reading. There's too much to read. Chances are, you've thought or said one of these exact phrases before because reading is important and in many ways unavoidable. Learn how to better read, what to read, when to read, and why you should read with this helpful guide from accomplished reader Tony Reinke. Offered here is a theology for reading and practical suggestions for reading widely, reading well, and for making it all worthwhile. Why should one be a Christian? Is there something more to being a Christian than to being human? Just what does it mean to be a Christian, especially in today's modern world? Hans Küng, one of the greatest theologians of this century, ponders these questions and, from a lifetime of study, suggests the answers. He looks carefully at the evidence in the Bible, at the challenges of modern

humanisms and of the world-religions, at the questions concerning death, at the local and the universal church, at the individual's own personal decisions, and at the freedom that Christianity brings, including the freedom to serve. On Being a Christian is a vital and important statement about what it means to be a Christian. Hans Küng has himself said of the book, which he regards as his magnum opus, that it intends to "clarify and challenge Christian faith and life at a time when the churches have unfortunately lost rather than gained in credibility. It seeks to bring to light for this present time the original Christian message and particularly the figure of Jesus of Nazareth." The book continues to offer a strong message to today's Christians. As Küng says in the closing of the book, "By following Jesus Christ, people in the world today can live, act, suffer and die in a truly human way; in happiness and unhappiness, life and death, sustained by God and helpful to fellow men and women." An unflinching look at the meaning and substance of sin. Answers to the most-asked questions about Christian faith! The Case for Christianity

Answer Book is a great book for both newer and seasoned Christians alike. The Q&A format lends itself to helping believers know how to effectively defend their faith. Perfect for those ready to consider Jesus, longtime believers, someone seeking the truth, or even a skeptic. This book is great for anyone looking for a handy reference. The Case for Christianity Answer Book provides succinct answers to real questions about Christianity. Strobel, a former atheist, uses his investigative journalism skills to dig deep into the Bible to provide compelling and concise answers about Christianity. In this answer book, bestselling author Lee Strobel offers biblically based answers to questions such as: Did God use evolution when He created the world? If God is loving, why is there so much suffering? Do the resurrection accounts in the four Gospels contradict each other? Can you have doubts and still be a Christian? What does it mean to be a Christian? The gospel of Jesus Christ is the best news in history, but we often live as though it has minimal impact on our lives. Being a Christian isn't just about Sunday

mornings, small groups, and studying the Bible. The good news is that Jesus redeems everything. In the Bible, we read story after story of people meeting God and walking away completely changed. The same is true for Christians today. Being a Christian, by Dr. Jason Allen, shows how Jesus redeems all of life. Useful for new and mature believers, small group and personal study, Being a Christian walks readers through the gospel's impact on all facets of life, from your relationships to your resources, from your work to your rest, from your past to your future. Will Christianity survive in America? Is there a way to restore its impact on our culture? How can you can be a part of rebuilding the foundations of a Christian worldview in our churches and nation? Join Calvin Dollar in exploring the essentials of authentic Christian faith. Discover your part in reversing the current demise of Christianity in America. Allow yourself to be challenged by exploring a personal path of discipleship. Come, explore the concepts and evidence for Christianity. On your journey you will find a biblical pattern for restoring authentic Christianity

in your personal life and in your church. If you're ready for adventure, grab your hiking boots or your kayak, and let's set out to explore together. Christians have not always presented an inviting picture to the world. Too often we have failed to show the beauty of authentic Christian love. And the world has disregarded Christianity as a result. Francis A. Schaeffer challenges Christians to respond compassionately to a needy world and to show the mark of Christ in all their actions. Pamela Eisenbaum, an expert on early Christianity, reveals the true nature of the historical Paul in Paul Was Not a Christian. She explores the idea of Paul not as the founder of a new Christian religion, but as a devout Jew who believed Jesus was the Christ who would unite Jews and Gentiles and fulfill God's universal plan for humanity. Eisenbaum's work in Paul Was Not a Christian will have a profound impact on the way many Christians approach evangelism and how to better follow Jesus's—and Paul's—teachings on how to live faithfully today. Nearly everyone wants to go to heaven when they die. Nearly everyone assumes they will go

there. And yet the Bible paints a picture of the “road that leads to eternal life” being found and traveled by few. Careful students of the Scriptures often find themselves wondering, How can I be sure of my salvation? Veteran Bible teacher Donald S. Whitney guides us carefully and patiently through the Bible’s teachings on salvation and eternal life—steering us clear of misplaced confidence and pointing us always toward Christ our hope. If doubts about your salvation ever disturb your peace, turn again and again to this book for refreshing clarity and confidence in the God who guides your steps. A timely, clear, and compassionate resource provides biblical and ethical guidance for readers who are looking for a Christian perspective on the immigration issue and speaks to both the immigrant culture and the host culture. Original. There are many commendable books on the Bible and homosexuality which span anywhere from a hundred to several hundred pages in length. For the curious, such books can sometimes be inaccessible or more than they really want to read. "The Bible, Christianity, & Homosexuality" is a

concise yet profound analysis of the Bible verses often misused to condemn gay and lesbian Christians. This study was written to be accessible to all, indeed, something family members and friends of gay and lesbian Christians might actually take the time to read. The Los Angeles Times describes this work as "an illuminating...analysis that argues the Bible doesn't condemn faithful gay relationships." (McGough, 7/18/05). How do we help our friends who have just become Christians or are young in the faith? In this concise and accessible book, Mike Patton unpacks the basics of the Christian faith, helping new believers think rightly about God and live fully for God as they begin their new life in Christ. In ten easy-to-read chapters, Patton introduces readers to the foundational teachings and life-giving practices of Christianity—from the doctrine of the Trinity to reading and understanding the Bible. Designed for individual use or small group discussion, this handbook on the Christian faith has the potential to become the go-to guide for new believers wanting to follow Jesus with their heads and their hands.

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God." This book was written over many years. It started in 1993 and has gone all the way up to this year. Some of it is about love, but a lot of it is about the pain I went through, about my marriage, and about trying to learn how to walk as a Christian or a man of God in the fights with the devil. I've had the fights of loneliness and heartache, but there's always hope, and that hope is through Jesus Christ. A national worship and preaching consultant offers a provocative look at the core elements of Christian faith, articulating centrist, mainline Christianity in a way that is fresh and easy to understand. Original. Pastor and author Martin Thielen has compiled a list of ten things people need to believe, and ten things they don't, in order to be a Christian. This lively and engaging book will be a help to seekers as well as a comfort to believers who may find themselves questioning some of the assumptions they

grew up with. With an accessible, storytelling style that's grounded in solid biblical scholarship, Thielen shows how Christians don't need to believe that sinners will be "left behind" to burn in hell or that it's heresy to believe in evolution. And while we must always take the Bible seriously, we don't always have to take it literally. At the same time, Christians do need to believe in Jesus--his life, his teachings, his death and resurrection, and his vision for the world. A great benefit of those beliefs is that they provide promising answers to life's most profound questions, including: Where is God? What matters most? What brings fulfillment? What about suffering? Is there hope? Thielen articulates centrist, mainline Christianity in a way that's fresh and easy to understand, and offers authentic Christian insights that speak to our deepest needs. This new edition includes a leader's guide, previously only available online, and a new introduction from the author that reflects on the book's reception. The leader's guide features unique and easily implemented aids for carrying out a seven-week, congregation-wide initiative that will

help local churches reach out to their communities. More information is available at thielen.wjkbooks.com. Argues that the increasing power of Christian fundamentalists in American politics threatens the country's citizens, blames the Bible for promoting intolerance of other faiths, and describes atheism as "an admission of the obvious." Teaches students to write well and introduces them to quality classic and contemporary essays. Now revised and updated. Leadership Coaching is an essential tool for anyone who wants to learn to coach or improve their coaching skills. Written by a top Christian coach trainer, it is filled with real-life stories, practical tools and application exercises that bring coaching techniques to life. Part I is an in-depth look at how coaching fits with the purposes of God. Starting with key biblical concepts about how God builds leaders, this book goes beyond proof-texting to present an integrated, values-based paradigm for leadership coaching. Part II uses a hands-on, interactive approach to show you how to coach. Utilizing the seven key elements of

effective coaching as a framework, each facet of the coaching relationship is explained in detail. Then follow-up Master Class sections help you internalize the key concepts and try them out in real life. Leadership coaching is a great introduction to a powerful way of helping others grow. In Confessions of a Christian, you will experience examples of Christ at work in daily life contexts that you can relate to. Where are you in your walk with Christ? Do you believe that He is aware of your circumstances and wants a relationship with you? Even if you have a personal relationship with Christ already, Confessions of a Christian will help you see that you don't need to be intimidated by your past or present circumstances, and that in fact God wants to hear about them and walk with you, right through them, every day. Through the author's shared personal experiences, study questions, and multiple opportunities to pray and reflect, draw closer to Christ and begin—or continue—your walk with Him by your side. The Journey of a Christian Counselor is written for the individual who feels drawn

by the Holy Spirit to counsel, with or without formal training in the profession. It is a story within a story, a chronology of the spiritual and professional journey of a young woman searching for the meaning of a vision that she saw at the birth of her son. This vision changed her life, but it was not until the brutal death of her son that she gained the courage to release the vision and accept its purpose in her life.

Catechesis is an ancient practice of Christian disciple making that uses a simple question-and-answer format to instruct new believers and church members in the core beliefs of Christianity. To Be a Christian, by J. I. Packer and a team of other Anglican leaders, was written to renew this oft-forgotten tradition for today's Christians. With over 360 questions and answers, plus Scripture references to support each teaching, this catechism covers the full range of Christian doctrine and life, drawing from the Apostles' Creed, the Lord's Prayer, the Ten Commandments, and other important doctrinal summaries. Clear, concise, and conversational, this resource was written for all believers who seek to be

grounded more deeply in the truth of God's Word. A Chapter-by-Chapter Bible Study of the first of the three letters from John, in the New Testament. 1st John is an excellent Bible study for those who are wanting to know the basics of how to walk with the Lord. This study has been specially prepared for use in your personal devotional time, or for a resource as you lead a small group Bible Study. What to do when they say they're Christian but don't know Jesus Whether it's the Christmas and Easter Christians or the faithful church attenders whose hearts are cold toward the Lord, we've all encountered cultural Christians. They'd check the Christian box on a survey, they're fine with church, but the truth is, they're far from God. So how do we bring Jesus to this overlooked mission field? The Unsaved Christian equips you to confront cultural Christianity with honesty, compassion, and grace, whether you're doing it from the pulpit or the pews. This practical guide will: show you how to recognize cultural Christianity teach you how to overcome the barriers that get in the way give you easy-to-understand advice

about VBS, holiday services, reaching “good people,” and more! If you’ve ever felt stuck or unsure how to minister to someone who identifies as Christian but still needs Jesus, this book is for you. More than ten years after its publication in 1975, The Idea of a Christian College has become, in the prophetic words of Nicholas Wolterstorff, “a classic, a standard.” Widely used by students, lay readers, teachers, and administrators, it provides a concise case for the Christian college and defines its distinctive mission and contribution. This revised edition is Holmes' response to the many professors and students who have read the work enthusiastically and urged the author to clarify certain ideas and to address further aspects of the overall subject. The author has extensively revised several chapters, has eliminated one-gender language, and has included two new chapters: "Liberal Arts as Career Preparation" and "The Marks of an Educated Person."--Back cover. The book you are about to read has been a subject of debate for some time, a book written to shed light on the truth concerning the topic of hell,

with an understanding taken from scripture and made clear throughout the Old and New Testament books of the Bible. It was written that we might have a clear understanding of God's love toward us, that we might know from what we were saved. It will give us a clear view of hell and what it will be like for those of us who I hope will not end up in its belly. My hope in this series of books is that you will come to know the plan of God toward mankind and that you might see the cross of Jesus Christ for what it represents. Jesus came to save us from the judgment that is to come, which I hope to highlight in this series of books. A Lutheran minister concisely and straightforwardly answers more than five hundred questions relating to Christian belief and ritual. This is a must for pastors, students, teachers--anyone interested in understanding why Christians of all denominations live and worship as they do.
