This charming story follows two children who go looking for their jump rope and discover that a group of foxes have claimed it as an answer to their wish. With beautiful, classic illustrations and lyrical text, here is a subtle, sensitive piece of magic that proves to sisters, brothers, and

foxes alike that the trusted familiar often lives right next to the truly extraordinary—if only you have the eyes to see it. A king and his servant learn about the benefits of diversity and the damage that barriers can do in this colorful tale. In this moving and valuable story, a king banishes anyone who looks different than him and builds a wall to keep them away. His kingdom was once flourishing with singers and sculptors, dancers and astronomers, and everyone in between. Now, most of the people are gone. Once he sees how lonely his side of the wall has become, he realizes where he went wrong and gains a new appreciation for his diverse and talented kingdom. With a visually engaging style that makes a complex lesson simple, this story shows children how a community can be harmed when barriers are built and how it thrives when people come together. “The Wall shows in brilliant color just how vibrant your life can be when you break down barriers and work toward inclusion, which is a wonderful message for readers of any age.” —Katherine Kleffner, blogger, *The Nerdy Girl Express* “A clever ebb and flow of colors and shapes that will have young readers, as well as the king, quickly seeing the errors of exclusionary ways.”—Foreword Reviews “The Wall: A Timeless Tale is a joyful celebration of

diversity, bar none!” —Storywraps “Macri and Zanotti . . . make it clear that shutting people out only weakens a kingdom, and they do it with laughter, not argument.” —Publishers Weekly This is a fixed-format ebook, which preserves the design and layout of the original print book This sweet children’s picture book presents a moving story, set in a fragile Arctic world threatened by global warming. A little polar bear wakes up alone after a furious storm. With his mother nowhere in sight, he makes friends with a mysterious little girl and various animal companions. All of the friends come together in the magnificent polar sky. In the end the little bear sits peacefully, enjoying a winter day lit up by beautiful northern lights. Featuring exceptional illustrations from talented Vietnamese illustrator Khoa Le, *The Lonely Polar Bear* offers an accessible way to introduce children to climate change issues. From New York Times bestselling author Scott Eyman, this is the story one of the most influential studios in film history, from its glory days under the leadership of legendary movie mogul Darryl F. Zanuck up to its 2019 buyout by Disney. March 20, 2019 marked the end of an era -- Disney took ownership of the movie empire that was Fox. For almost a century before that historic date, Twentieth Century-

Fox was one of the preeminent producers of films, stars, and filmmakers. Its unique identity in the industry and place in movie history is unparalleled -- and one of the greatest stories to come out of Hollywood. One man, a legendary producer named Darryl F. Zanuck, is the heart of the story. This narrative tells the complete tale of Zanuck and the films, stars, intrigue, and innovations of the iconic studio that was. As Fox wanders through a strange landscape, he cannot help but be reminded—at every corner—of the streams, the trees, and the family he once knew. Fox would like nothing more than to return to his home, but it seems the cityscape has built up around him. Follow Fox as he looks for a way back home to the wild green land where every fox belongs. Back matter shows readers the creative ways humans are helping to mitigate habitat encroachment in our towns and cities. Presents a collection of stories and poems celebrating the winter season. One Fox is a stunning counting book and thrilling farmyard adventure from the brilliantly talented author and illustrator, Kate Read. One famished fox with two sly eyes is on the prowl . . . three plump hens had better watch out! The rich, close-up illustrations take the reader to the heart of the drama in this exciting story set in a moonlit farmyard. With something different to count in every picture, learning numbers from one to ten has never been so much fun, while the story will keep everyone gripped to the last, hugely satisfying page. Kate Read is a graduate from

the prestigious MA in Children's Book Illustration at Anglia Ruskin University, Cambridge. Her luscious artwork is a mixture of collage, printing and drawing, creating layers of beautiful texture and detail. Originally published in 1970, Roald Dahl's *Fantastic Mr. Fox* tells the story of the Fox Family. After twelve years, the Fox Family's quiet home life proves too much for Mr. Fox's natural animal instincts. When his young nephew arrives, Mr. Fox slips back into his old ways as a smart bird thief and, in doing so, endangers not only his beloved family, but the whole animal community as well. In Fall 2009, audiences will cheer as award-winning director Wes Anderson (*Rushmore*, *The Royal Tenenbaums*, *The Darjeeling Limited*) brings us his take on the tale: a blockbuster stop-motion animation film shot entirely in high definition. Starring the voice talents of George Clooney (*Michael Clayton*), Meryl Streep (*Doubt*), Bill Murray (*Lost in Translation*), and Jason Schwartzman (*Marie Antoinette*), the movie is sure to please fans of the original story as well as enchant new generations. *Fantastic Mr. Fox: The Making of the Motion Picture* is a family-friendly behind-the-scenes look at the creation of the film. Filled with photos, script pages, storyboards, and interviews with cast and crew, this book is a delightful and intriguing peek at the magic that happens as the filmmakers bring to life one of children's literature's most beloved characters: the outrageous, audacious, *Fantastic Mr. Fox*. While James and Ruth talk

about their hard day, a cynical fox appears and challenges their belief in God. How can they believe God is all-good, all-knowing, and all-powerful when there is so much pain and evil in the world? This colorful story will encourage deep conversations, help equip children with faith-strengthening tools, and embolden them to defend their Christian beliefs from an early age. Vols. 5-15 include "Bibliography of child study," by Louis N. Wilson. As darkness falls parents everywhere try to get their children ready for sleep. A series of comical choices such as, "Would you rather eat spider stew or slug dumplings or mashed worms?" ends with an invitation to bedtime, in an outrageous read-aloud first published in 1978. Children's love for animals and disguise come together in this award-winning introduction to the Anishinaabe tradition of totem animals. In this introduction to the Anishinaabe tradition of totem animals, young children explain why they identify with different creatures such as a deer, beaver or moose. Delightful illustrations show the children wearing masks representing their chosen animal, while the few lines of text on each page work as a series of simple poems throughout the book. In a brief author's note, Danielle Daniel explains the importance of totem animals in Anishinaabe culture and how they can also act as animal guides for young children seeking to understand themselves and others. Fans of Aaron Becker's Caldecott Honor winner *Journey* will love this utterly enchanting wordless picture book in which two friends follow a young fox deep into the woods and discover a wondrous and magical world. When a young girl brings her beloved stuffed fox to the playground, much to her astonishment, a real fox takes off with it! The girl chases the fox into the woods with her friend, the boy, following close behind, but soon the two children lose track of the fox.

Wandering deeper and deeper into the forest, they come across a tall hedge with an archway. What do they find on the other side? A marvelous village of miniature stone cottages, tiny treehouses, and, most extraordinary of all, woodland creatures of every shape and size. But where is the little fox? And how will they find him? Stephanie Graegin's oh-so-charming illustrations are simply irresistible, and readers young and old will want to pore over the pages of this delightful fantasy adventure again and again. Give the gift of Christmas with this beautiful holiday tale that celebrates the true meaning of the season. "Come!" drummed a woodpecker one cold, wintry day. "A baby is coming. There's work to be done!" One by one, from field and forest, the animals make their way to a barn. The cow has sweet-smelling hay to offer the baby. The bluebird has the gift of song. And a lamb has soft, cozy wool. But the shy little fox has nothing to offer . . . or so he thinks. With its gentle text and warm, expressive illustrations, this irresistible take on the Nativity story invites even the youngest child to discover the truest gifts of the Christmas season: the ones that come from the heart. Meet Llama, the next great picture-book megastar, who has most definitely driven a bus and who loves tacos way more than you. He also loves cake, and that's where our story begins. On Monday, Llama discovers a pile of cake, which he promptly eats. On Tuesday, Llama squeezes into his dancing pants, which he promptly rips. The force of the rip creates a

black hole (naturally). By Friday, Llama will (indirectly) destroy the world. In their debut picture book, author/illustrator team Jonathan Stutzman and Heather Fox introduce young readers to the comical, the studious, the oblivious Llama, a picture-book hero for the ages. So grab some cake and your dancing pants and prepare for *Llama Destroys the World... because THE TIME FOR LLAMA IS NIGH!* This gorgeous and lyrical picture book follows a year in the life of a red fox named Vixen. Kids will learn about a common backyard neighbor as they read how Vixen finds food, hunts, escapes threats, finds a mate, and raises her kits—all the way to the day that she and her mate watch their kits head off to lead their own secret lives. Stunning, realistic illustrations celebrate the beauty of these mysterious creatures as readers learn important facts through an engaging and fascinating story. The book also includes back matter with more in-depth information, a glossary, and further resources. *Fox World*, based on true events, takes the reader under the canopy of an urban forest on the outskirts of Washington, D.C. for a year-long walk with a weary sales executive and his muse, a wild red fox. Aged, ill and injured, both fox and man seek healing in their journey, not only for themselves, but for the ecologically stressed forest which is under siege. They are joined on their five-hundred-mile walkabout by the fox's forest friends – owl, buck deer, hawk, blue heron, and raccoon, and each animal's story illustrates why this small forest is so

soothing and majestic in its allure. Starting in brutally cold winter, followed by the wettest summer on record, fox and man face daunting life challenges on their walks, from heart arrhythmia which ends the executive's career to a coyote attack and critical illnesses faced by the elderly fox. And through these traumatic events, the two bond for survival, and the fox's wild perspective teaches his human friend unforgettable lessons about healing, coping, serenity, wonderment, mindfulness, and simple treasures (e.g., the sun setting atop the great oaks, an owl serenade under moon beams, a shared cup of bison bone broth on an icy day). Drawn in by the plight of the fox's forest as destruction looms, the man decides to take a stand and help the fox and his animal friends. Richly graced with gorgeous nature photos and infused with insights that can only be imparted by those who have come to genuinely appreciate life, *Fox World* is an exhilarating walk in the woods that you'll never forget. When a lost fox enters a village on a snowy night, a young boy, seeing that the animal has been chased away by the town's adults, leaves a basket of food for the fox in a greenhouse where it has taken shelter. "Hattie the Hen spots the danger--but no one seems to care!"--Pg 4 of cover. With millions of followers on Instagram, Juniper the fox is the internet's cutest pet! Juniper's adorable snaggletooth smile and fun-loving personality are vibrantly captured in this heartwarming book. With gorgeous photos, a charming narrative about

Juniper's life, and a behind-the-scenes look at what it's like to live with a fox, this book will capture the heart of any animal lover. Juniper's story chronicles her adoption and real-life Fox and the Hound relationship with a dog named Moose as well as the hilarious shenanigans she regularly gets herself into—including adapting to her new companion Fig, a younger fox who was rescued from a fur farm. Readers will also get a look at the thing Juniper is best known for: she paints with her paws! Juniper's paw paintings sell out instantly on her website, and readers will delight in learning more about her artistic adventures. With her signature grin, Juniper reminds us that there is always something to be happy about; you just have to know where to look. The book behind the phenomenal Youtube sensation 'What Does the Fox Say?' Dog goes woof. Cat goes meow. Bird goes tweet, and mouse goes squeak... But what does the fox say? Ylvis started working with the illustrator for this book before they had even uploaded the video to Youtube as they felt it had the potential to become an interesting book as well. As they say "The level of detail in Svein's drawings make the book fun to read over and over. Hopefully kids will enjoy reading it as much as we enjoyed making it." Ylvis is made up of brothers Bård and Vegard Ylvisåker. Besides being talented musicians and pretty good dancers, the brothers have worked as comedians and talk-show hosts in Norway for many years. Svein Nyhus is a Norwegian author and illustrator of children's books. He lives in

Tonsberg, Norway. His previous books include "Why Kings and Queens Don't Wear Crowns" by Princess Mårtha Louise of Norway. This Caldecott Honor book from beloved illustrator Peter Spier is a spirited take on a classic American folk song. "[Spier's] finely detailed, action-packed New England autumn vistas are almost startlingly beautiful."—The New York Times Over fifty years after he won a Caldecott Honor for *The Fox Went Out on a Chilly Night*, legendary illustrator Peter Spier went back to this time-honored favorite in 2014 to paint the half of the book that was originally printed in black and white. In this glowing, restored vision of Spier's beloved classic, follow the wily fox as he roams a sleepy New England town in search of a meal, with tones and textures so vivid you can almost hear the crackle of crisp fall leaves and the ripples of the river in the moonlight. Fans of Aaron Becker's Caldecott Honor winner *Journey* will love this utterly enchanting wordless picture book in which two friends follow a young fox deep into the woods and discover a wondrous and magical world. What does it mean to be Mi'kmaq? And if Swift Fox can't find the answer, will she ever feel like part of her family? When Swift Fox's father picks her up to go visit her aunts, uncles, and cousins, her belly is already full of butterflies. And when he tells her that today is the day that she'll learn how to be Mi'kmaq, the butterflies grow even bigger. Though her father reassures her that Mi'kmaq is who she is from her eyes to her toes, Swift Fox doesn't understand what that means. Her family welcomes her with smiles and hugs, but when it's time to smudge and everyone else knows how, Swift Fox feels even more like she doesn't belong. Then she meets her cousin Sully and realizes that she's not the only one who's unsure--and she may even be the one to teach him something about what being Mi'kmaq means. Based on the author's own experience, with striking illustrations by Maya McKibbin, *A Long Way to a New Place* is a poignant story about identity and belonging that is at once personal and universally resonant. An injured magpie and a one-eyed dog live happily together in the forest, until a jealous fox arrives to teach them what it means to be alone. Good parents everywhere know the tension of

wanting our kids to be curious, to have rich experiences and friends...but to be perfectly safe while doing it. Little Fox knows all about it! His father (in classic picture book fashion) warns him of the danger everywhere. But Little Fox still frolics with butterflies, scavenges for food, and searches for new friends. Then one day he takes a tumble, bumps his head, and starts dreaming of things that reflect both the beauty he's seen and the scary things he's heard. Marije Tolman's ingenious illustrations use a fresh technique that feels like a movie and a dream, starring the cheerful, bright orange Little Fox on grainy mixed media landscapes of blue and green. And when Little Fox wakes up, he's perhaps a little wiser, but still every bit as curious and full of life. Praise for Little Fox □ "A beautiful, fully realized dreamscape. A tender, brilliant tour de force from the Netherlands."—Kirkus Reviews, starred review From the award-winning designer of the iconic Penguin Hardcover Classics comes a beautifully illustrated fable about loss, friendship, and courage *The Fox and the Star* is the story of a friendship between a lonely Fox and the Star who guides him through the frightfully dark forest. Illuminated by Star's rays, Fox forages for food, runs with the rabbits, and dances in the rain—until Star suddenly goes out and life changes, leaving Fox huddling for warmth in the unfamiliar dark. To find his missing Star, Fox must embark on a wondrous journey beyond the world he knows—a journey lit by courage, newfound

friends, and just maybe, a star-filled new sky. Inspired by the Arts and Crafts movement and the art of William Blake, *The Fox and the Star* is a heartwarming, hopeful tale which comes alive through Bickford-Smith's beloved illustrations, guiding readers both young and grown to "look up beyond your ears." Vols. 5-15 include "Bibliography of child study. By Louis N. Wilson." This Caldecott Honor book from beloved illustrator Peter Spier is a spirited take on a classic American folk song. In 1929, Hollywood mogul William Fox (1879-1952) came close to controlling the entire motion picture industry. His Fox Film Corporation had grown from a \$1600 investment into a globe-spanning \$300 million empire; he also held patents to the new sound-on-film process. Forced into a series of bitter power struggles, Fox was ultimately toppled from his throne, and the studio bearing his name would merge in 1935 with Darryl F.

Zanuck's flourishing 20th Century Pictures. The 25-year lifespan of the Fox Film Corporation, home of such personalities as Theda Bara, Tom Mix, Janet Gaynor and John Ford, is chronicled in this thorough illustrated history. Included are never-before-published financial figures revealing costs and grosses of Fox's biggest successes and failures, and a detailed filmography of the studio's 1100-plus releases, among them *What Price Glory?*, *Seventh Heaven* and the Oscar-winning *Cavalcade*. Part of the RED FOX GIANT PICTURE BOOK series, a LARGE FORMAT edition of a collection of poems which stress the fun to be had in performing tasks in groups. Illustrated in colour throughout by the author. "Equipped with a camera and determination, an adventurous little girl tries to track down an elusive red fox, which proves more difficult than she thought"-- Two talented Australian creators team up for a delightful book that is a must-have for any child who finds it difficult to share. Florence can't share her toys with Fox today because today is not Sharing Day. In fact, Sharing Day is not for hundreds of days. Fox has never heard of Sharing Day and he has some questions, but luckily Florence has all the answers. In this chunky board book, Arthur tries to recover from chicken pox in time to go to the circus. Full color. A gentle rhyming story for ages 3-5+ with fun colour photos and facts about foxes and hedgehogs! When Ferdinand Fox meets Edmond the baby hedgehog playing out one

night, little Ed shrieks and curls into a tight prickly ball. He thinks the fox will eat him! But Ed soon realises that he is safe, and has just met a very special fox...
